

MESA COMMUNITY SERVICE DISTRICT
ZOOM MEETING – AUGUST 27, 2020, 6PM

MINUTES

CALL TO ORDER: 6:02PM -NATE

MINUTES: APPROVED: SUZIE PROPOSED, KAREN SECONDED

OLD BUSINESS:

WATER SAMPLE RESULTS: 16 requested testing, 10 tests were done
One failed: top of Houston for coliform.
Test bottles were only for coliform.
Second test must be done for nitrates which must be done within a 24 hr window from collection.
Kari will do a letter for the community to this regard.

FIRE SUPPRESSION: Nothing particularly new. Still have option to do a contract with BISHOP FIRE for feasibility study.
Karen asked the question: Can the County do the study under a Grant. Nate will ask.
County must assist with road through storage unit area. We are not able to fund it.

BUDGET/INCOME: All submitted to County. One bill currently expected for water testing.
Usually received by end of month.

ELECTION LETTER OF INTEREST:

Since no one filed to request being on the Board, those of us who wish to continue must do a **Letter of Interest** to the County to be received no later than September 25, 2020. A sample has been provided. Rodney is the only one that is still good for 2 years.

NEW BUSINESS:

HOW TO PROCEED WITH MCSD:

Much work has been accomplished over the last 5 years in rebuilding the Board. Items have been simplified and our focus more clearly defined. Some Board members desire to resign, but it seems with some changes, we can keep going until we are able to bring on new Board members. There has been some interest, but other obligations have kept people from filing. To ease some of the stress current members are feeling, we made the decision to have Board Meetings bi-monthly beginning in October, 2020. Proposed by Suzie and seconded by Rodney.

ADJOURNMENT: 6:30PM

SUBMITTED BY Suzie Robinson, Secretary
