ELECTIONS:

We do have the notice of election and I did find out from Kammi Foote that we have 2 2yr terms and 2 4yr terms up. Previously Ms. Foote said we had 3 4yr terms and 1 2yr term and that is not correct. That should be posted on the website and maybe on the kiosk. Ms. Foote will be noticing all election positions throughout the County in the newspaper shortly.

NEW BUSINESS:

YEAR END: is coming up quickly, June 30 2020. You will have until 8/31/2020 to submit deposits and Authorizations for payment to be credited to 2019-2020. It is especially important to make sure that expenses and income get credited to the correct year. Please make sure and include adequate back up with all your deposits and Authorizations for Payments (for example invoices or EOB's with the date the services were performed, the goods were received or the period the insurance will cover)
